IN CASE OF SMITH VS. TRACY County Commissioner E. H. Corttis authority for the statement that Defendant Makes Complete Denial of Theft of Skunks and Foxes-Claims truck for use at the jall and in work done by prisoners at the jail has been a splendid investment. The truck, Pelts Came From Maine.

The case of Robert G. Smith vs. Ralph S. Tracy, begun in the superior court Tuesday, was continued Wednesday afternoon when court came in after a naturalization session at Willi-

plaintiff is seeking to recove for fox and skunk skins alleged to have been stolen from his fur farm in East Killingly by the defendant.

Michael Grimshaw was the first Though members of the Thirteenth company, C. A. C., in common with other military organizations of the state, now receive pay for drills, providing that at least 41 members of the made and corroberated previous wit-nesses as to the finding of the skins. He said he was ill at the time and did not take a very active part in the

Walter Warren of Attawaugan, who has known Tracy all his life and has worked for him, said Tracy owned a gray Ford automobile that rattled and

Amide Laparle of Attawaugan testified that he saw an auto go by his house at half past four the morning of the robbery. He was up with his sick wife ad was looking out of the window. It was a grey car and he knew it was Tracy's. There were two men in it but he could not tell who they

The Search at Tracy's

Frank A. Whipple of Killingly, number of the theft detecting society told about the search at Tracy's He sadi he knew the Tracy automobile and it rattled and leaked oil. He met Tracy ten days before the robbery and he had eight skunk skins in the back of his car. He said the blood from them would not be as fresh as what he saw in the car at the Tracy home on the day of the search, the

Edgar A. Wheaton of Ballouville, neard an automobile go by in the early morning hours but did not see it. John Labelle of Ballouville also neard the early morning machine James E. Morin, who had worked at the fur farm, told of conditions there on the morning after the robbery substantially as told by witnesses Fuesday.
Albert L. Mills of Hampton, 25 years

a fur buyer and Albert H. Shippee of East Killingly in the business an equal number of years, said wild pelts could be distinguished from ranch pelts. Shippee admitted on cross examinaion that he had been "stung" once in Damagaing Testimony.

Henry Chase offered some damaging testimony when he said that the morning of the robbery he heard an auto and was within twenty-five feet of it as it passed him. It was a grey machine. He heard Tracy's voice as he said "Keep still there's Henry." He knew Tracy well as he went to school with him. He smelled the odor of skink as the machine passed.
"You wanted to convict a thief if
you could, didn't you?" asked Lawyer
Torrey. "No Sir," answered the wit-

Defendant Dnies Everything.

Ralph S. Tracy, the defendant took the stand as the first witness for the defense. He denied that he stole an-imals, denied that he was in the high-way that night, denied that he was out of the house after eight o'clock and didn't know that plaintiff had a fur farm. He said the dirt on the shovel had

been there some time and the blood came from skunks dug at East Put-nam. Thei eight skunks he had in the auto on the 19th had blood on them and he had carried a quarter of pork in the machine.

The skunk skins were hanging where he usually had them. He kept them in

a bag so the cats wouldn't get then Another Norwich Case

The Free Sewing Wachine

THE LIGHTEST RUNNING SEWING MACHINE EVER BUILT

With the Fall sewing campaign at hand the question of a good Sewing Machine is an important one. This store is prepared to sell you the best Sewing Machine at the price.

THE FREE

Now is the time to buy this Machine. Delay may mean many tired hours spent uselessly at your old machine.

The only two really great sewing machine inventions of the last forty years have been made on the FREE Sewing Machine-the Rotoscillo movement and the Toggle-link movement, which make this machine stronger, simpler and lighter running than any other machine, reducing all noise, wear and friction.

The Free Sewing Machine Is Faultless

It is a machine that runs so light you can sew for hours without feeling tired or nervous.

The treadle runs like magic; the automatic lift brings the head in position and

the belt on ready for sewing.

The case is so beautiful it will be an ornament in any room.

Its attractiveness is due to its self-raising treadle, its beautiful finish, its dainty and artistic design.

This Machine is absolutely guaranteed The new Toggle-link movement re- | for life, and when you buy this Machine moves all noise and friction, and when you are buying a Sewing Machine that closed the machine is entirely dust proof. | you can depend on as long as you live.
